INT. BAR - NIGHT

**LUCAS**

Ah come on! Play better,  
you have to play better!

**MARÍA**

Real Madrid is a lot less boring  
to watch than FC Barcelona,  
their play is so much more gripping

**LUCAS**

What are you talking about? FC Barcelona  
is much slower than Real Madrid and  
our players have better skills than yours.

**MARÍA**

But we have Casillas,  
who is the best goalkeeper in the world

**LUCAS**

We have Iniesta and he scored the most  
important goal in history.

**MARÍA**

But Iniesta is shorter and skinnier than  
Cristiano Ronaldo. Ahh Ronaldo!

**LUCAS**

But Messi is better than Cristiano.  
He is quicker and he scores more goals!

**MARÍA**

Yeah but Cristiano is taller and stronger  
and better looking!

**LUCAS**

Yeah but...

**MARÍA**

Wait! Wait!  
Penalty! Penalty! For Real Madrid!

**LUCAS**

Oh come on! What a cheat! The referee is awful.
