INT. ROOM - NIGHT

An anglepoise lamp illuminates Rafael's face, who is tied to a chair and shows signs of having been beaten up. Two men in suits are pacing around the room.

**MAFIOSO 1**

Where are the drugs, Rafael?

**RAFAEL**

They're ... around.

They hit him.

**RAFAEL**

You're not very strong for a mobster.

**MAFIOSO 2**

I'm not in the mood for jokes.

We know that you were heading for the coast, and that you were going via Madrid. Is it there?

**RAFAEL**

Can I send my mother a WhatsApp? She's expecting me for dinner and you know how these things are....

Another blow.

**MAFIOSO 1**

That's for being an idiot.

**MAFIOSO 2**

We have to finish this. I have a dentist's appointment in two hours.

**MAFIOSO 1**

By then he will have talked. I'm in a hurry too. I have to stop by the supermarket to buy dinner.

**MAFIOSO 2**

Then we will do this the fast way.

The mafioso opens a laptop.

(CONTINUED)

**RAFAEL**

Wait, what are you going to do?

**MAFIOSO 2**

We're going to connect to YouTube  
and listen to a playlist of  
Justin Biebers hits.

**RAFAEL**

No, no, please. Not that!

**MAFIOSO 2**

The new ones, the old ones...  
all the classics... Almost three  
hours long..

Rafael grimaces.

**RAFAEL**

No, no, for God's sake, there is nothing  
worse! I'll talk, I'll talk!

**MAFIOSO 2**

Thank you for your collaboration.
